Characteristics

Deep violet colour with an incipient purple border. On the nose, the aroma is delightful of the ripened black fruit wrapped in wood. With a good structure in the mouth, very tasty and beefy when entering, dominated by the flavours of toffee and coffee.

Excellent concentration, soft and juicy tannins with a wide display of flavours and long and powerful finish.

Gastronomic recommendations

Especially recommended to accompany cheeses, sausages, roasts and stews.

Best served between 15° and 18°.

Winemaking

Red wine made of careful selected grapes coming from the oldest vineyards and harvested by hand.

From artisan preparation, striving for excellence, this wine has aged in French oak casks for 16 months.
