Characteristics

Cherry-red colour with violet tones in the rim of the glass. On the nose you can appreciate the aromas of red fruits, which are common for the Tempranillo variety, mixed with the thin aromas of the toasted oak. In the mouth it is a soft, round and silky wine and it has elegant retro-nasals of fruit and oak.

Winemaking

Fermentation controlled to 28° C, in stainless steel deposits. This wine ages for three months in Bordeaux casks.

Gastronomic recommendations

Especially recommended for aperitifs and daily meals.

Best served between 12 ° and 14 °.
